

FOR IMMEDIATE RELEASE

ONE GIRL ONE NOVEL SEVEN COUNTRIES  
Sometimes That Happens With Chicken: A Novel  
Is Now Available Internationally

LOS ANGELES, California (May 1, 2010) – In addition to being available in the US and the UK, Wanda Shapiro's debut novel, *Sometimes That Happens With Chicken*, is now available on Amazon.com in France, Germany, Austria, Canada, and Japan.

Shapiro brought her first novel directly to readers in February on her website One Girl One Novel where she is documenting her indie literature journey. *Sometimes That Happens With Chicken* has gotten rave reviews on her site and Shapiro is gradually rolling out additional retail options.

For more information regarding where to buy or download Shapiro's first novel, her site includes a page with all retail options.

After writing her first novel, Shapiro decided to cut out all the middlemen and start her own publishing company. By leveraging available technology, Shapiro is bringing the indie business model to literary fiction. By bringing a new level of quality and professionalism to self-publishing, Shapiro is positioning herself to be the first literary indie sensation.

For more information, visit <http://www.onegirlonenovel.com> where you can learn all about the girl, the novel, the plan, and how you can help.
